YOUTH SUMMIT BY THE NUMBERS:

- 85% of students had fun at Youth Summit
- 71% of students agreed that Youth Summit helped them connect with other LGBTQIA+ youth
- Half of students attending identified as transgender or non-binary and 1/3 identified as BIPOC

WHAT WAS MOST IMPACTFUL?

- “Getting to meet other queer youth and seeing so much support from the community.”
- “I liked having a black LGBTQIA+ [space at Youth Summit], it was nice talking to people who looked like me and dealt with similar experiences.”
- “One student became much more clear about their identity, and some students remarked that it was the first time they'd seen real representation of certain groups.”

“It was really reassuring to know that there are people out there like me who share my experiences.”

Thank you for supporting OutFront Minnesota and helping LGBTQIA+ youth find community and safety!
